THREE CLARK COUNTY COMPANIES  
RECOGNIZED BY CLARK COUNTY CHAMBER  
AS 'BEST-IN-COUNTY' DURING FIRST ANNUAL AWARDS CEREMONY

VANCOUVER, WA – Total Merchant Concepts, Inc., GenTech Dentist, and WorkSource Vancouver Town Plaza, were named the recipients of the Clark County Chamber's first annual 'Best-In-County' awards.

Held on December 21, each company was presented the inaugural award by Clark County Chamber Board Member, Dr. Jerry Willbur. "These businesses exemplify a spirit of innovation that makes commerce in Clark County so great," explained Izad Khormae, the Chamber's Executive Director. "We are proud to recognize them as best examples of companies with innovative business practices here."

Total Merchant Concepts is a locally owned business-to-business service provider that processes debit, credit, purchasing, and fleet card transactions – in addition to benefits and checks – for its clients. Total Merchant Concepts was recognized for its "Day Before Vacation Fridays" program to promote productivity, customer service and visibility.

GenTech Dentist serves patients from the Clark County community and beyond. GenTech Dentist was applauded for its Agape Program, which in collaboration with its customers, has provided more than \$50,000 in free dental work for those with limited financial resources.

WorkSource Vancouver Town Plaza assists local companies to find and develop the skilled workforce they need to be successful in today's job market. The Business Services Award was presented to WorkSource Business Services Unit for their inventive approach in gaining a deeper understanding of their clients business needs by embedding industry-specific account representatives in the client's business.

The mission of the non-profit, nonpartisan Clark County Chamber of Commerce is to support, serve, and strengthen the socio-economic vitality of Clark County by advocating on behalf of its business community.
