Clark County Chamber of Commerce is pleased to present our *August Business Seminar and Networking*, highlighting key ideas and best practices for Clark County businesses. In our upcoming event, Joe Estey of Prolepsis Training, Inc. will be presenting on “*The Future By Design: To Err is Human...but NOT Inevitable!*” In this interactive presentation, participants will learn from what over 30 years of human performance research has determined to be true about human error, organizational failure and creating a process for continual success.

We hope that you will benefit from this informative business seminar and take advantage of opportunities to network with other Clark County business leaders. This meeting is a complimentary service provided by the Clark County Chamber of Commerce to members and non-members alike.
